Catoosa County Schools has a App to Stay Connected

CCPS has launched an app for cell phones. The app is a great way to stay connected and is easy for you to use to keep track of all the great things going on at WES and in "General Country". [Click here for download instructions.](#)

Positive Office Referral Days for 5 Star Generals!

As part of our PBIS (Positive Behavior Incentive Supports) program at Woodstation, our teachers and staff are **"Writing Up"** our 5 Star General Students who are working hard and making good choices everyday. What happens with our **"Positive Office Write Up"** is Mr. Ellis calls the student to the office sometime during the school day and together they call the parent and share the good news about being **"Written Up"**. It's a blast for students and parents. Students also receive a **Reese's Treat** for taking 5 minutes and sharing the good news. *Parents be listening for your phone to ring this school year.* Go, Woodstation Generals!

Coach P's Fit Tips

N.E.A.T Movement: Non-Exercise Activity Thermogenesis (N.E.A.T) refers to the calories you burn through daily activities like walking, cleaning, or gardening. Incorporate more movement into your day! Hit those steps!

Nurse April Helpful Healing Hints

You don't have to give up all your favorite foods. Learn to make smart food choices and simple substitutions instead. Discover healthy snacks and how fruits, vegetables and whole grains help keep you fuller longer.

Mr. McNeese's Musical Notes

Camille Saint-Saens (1835-1921) was a French composer and pianist. His most famous works included the Danse Macabre and the Carnival of the Animals. He is the composer we are currently studying in music class. His music is used in many movies and commercials. You may not know his name, but you know his music.
