

**We want to stay in touch with you. Feel free to request a conference with your child's teacher or an administrator by calling (706) 935-6700**

Come get involved at the WES Family Resource Center. If you would like to volunteer, participate, or observe in the classroom, please contact Jayne Black 706-935-6700 jblack.wes@catoosa.k12.ga.us.

### **Jointly Developed**

The parents and staff of Woodstation Elementary School jointly developed this **Family- School Compact for Achievement.**

- Parents help create the actions for home activities to support learning goals.
- Students told us what would help them learn.
- Teachers created home learning strategies.
- Meetings are held each year to update this compact and make changes based on student needs.

**Parents are always welcome to contribute comments and input.**

### **Building Partnerships**

Some of our upcoming meetings:

- Family and School Team (FAST) Meetings on Nov 6, Feb 7, and March 21
- Georgia Milestones Workshop on March 26
- Parent Advisory Council (PAC) Meeting on April 17

### **Communication about Student Learning:**

Woodstation Elementary School is committed to frequent, two-way communication with families about children's learning. Here are some ways to communicate with us and to stay informed:

- Student's nightly agenda
- Wednesday folders
- Updates on the school website
- Checking grades in parent portal
- Attending FAST meetings in order to understand student progress

Contact your child's teacher by phone (706) 935-6700 or email for questions about your student's progress.

## **FAMILY-SCHOOL COMPACT FOR ACHIEVEMENT School Year 2018-2019**

### **First Grade Focus for Student Success**

Revised September 4, 2018

### **Woodstation**

### What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

#### **Effective Compacts:**

- *Link to school goals*
- *Focus on student learning skills*
- *Describe how teachers will help students develop skills using high-quality instruction*
- *Share strategies parents can use at home*
- *Explain how teachers and parents will communicate student progress*
- *Describe volunteer opportunities*

### DISTRICT GOALS FOR STUDENT LEARNING

1. To improve the percentage of students scoring proficient (levels 3,4) in grades 3-8 according to Georgia Milestones.
2. To improve the percentage of students graduating from high school.

**When teachers, students, and families work together, we CAN achieve our goal:**

**I WILL GRADUATE!**

### SCHOOL GOALS FOR STUDENT LEARNING

- First grade students will show growth in reading using easyCBM.  
⇒ ***ASSESSED NEED FIRST GRADE:***  
⇒ ***Fluently use at least 200 sight words and read grade level text***
- First grade students will show growth of 30% (adequate growth) in math using their STAR math assessment.  
⇒ ***ASSESSED NEED FIRST GRADE***  
⇒ ***Develop an understanding of addition, subtraction, and strategies for addition and subtraction within 20.***

### WES First Grade Students

- WES students joined staff and parents to develop ideas about how they can succeed in reading and math. Students thought of the following ideas to make connections between learning at home and school:
- ♦ **Use websites from my teacher to get math practice at home.**
  - ♦ **Read books on first grade level every night at home.**
  - ♦ **Practice sight words with my parents at home.**

**Parents, students, and teachers work together for success!**

### WES First Grade Teachers

The first grade teachers will work with students and their families to support student success in reading and math. Some of our key connections with families will be:

- Teachers will send home weekly sight word practice for parents and students to do together at home.
- Teachers will send home grade level text for nightly reading at home.
- Teachers will encourage math fact practice through 20 by sending home flash cards, apps, websites, and practice pages.

### At Home

WES parents joined staff to develop ideas about how families can support student success:

- Attend Family and School Team (FAST) meetings to learn about activities to practice at home that support my child's grade level goals.
- Practice ELA and reading skills at home by reading daily with my child, working on sight words, or using IXL and other educational websites together at home.
- Look for and read the class newsletter to stay informed about what my child is learning in class. Use the reading and math tips provided in the newsletter to support learning at home.

**Comments and/or suggestions are welcome at any time during the year.**
