Jointly Developed

The parents and staff of Woodstation Elementary School jointly developed this **Family- School Compact for Achievement.**

- Parents help create the actions for home activities to support learning goals.
- Students told us what would help them learn.
- Teachers created home learning strategies.
- Meetings are held each year to update this compact and make changes based on student needs.

Parents are always welcome to contribute comments and input.

Building Partnerships

Some of our upcoming meetings:

- Family and School Team (FAST) Individual Parent-Teacher Meetings on Nov 4-8 and Feb 3-7
- Family and School Team (FAST) Classroom Group Meeting on March 19
- Parent Advisory Council (PAC) Meeting on April 15

Communication about Student Learning:

Woodstation Elementary School is committed to frequent, two-way communication with families about children's learning. Here are some ways to communicate with us and to stay informed:

- Student's nightly agenda
- Wednesday folders and newsletters
- Updates on the school website
- Checking grades in parent portal
- Emailing the teacher
- Attending FAST meetings in order to understand student progress

Contact your child's teacher by phone (706) 935-6700 or email for questions about your student's progress.

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- *Link to school goals*
- *Focus on student learning skills*
- *Describe how teachers will help students develop skills using high-quality instruction*
- *Share strategies parents can use at home*
- *Explain how teachers and parents will communicate student progress*
- *Describe volunteer opportunities*

DISTRICT GOALS FOR STUDENT LEARNING

1. To improve the percentage of students scoring proficient (levels 3,4) in grades 3-8 according to Georgia Milestones.
2. To improve the percentage of students graduating from high school.

**When teachers, students, and families work together, we CAN achieve our goal:
FROM HERE TO CAREER!**

SCHOOL GOALS FOR STUDENT LEARNING

- Kindergarten students will show growth in reading using easyCBM.
⇒ **ASSESSED ELA NEED KINDERGARTEN:**
⇒ ***Ask and answer questions about a text and retell stories***
- Kindergarten students will show growth in math using easyCBM.
⇒ **ASSESSED MATH NEED KINDERGARTEN:**
⇒ ***Count quantities of objects, compare sets of objects, and represent quantities with numerals within 20.***

WES Kindergarten Students

- WES students joined staff and parents to develop ideas about how they can succeed in reading and math. Students thought of the following ideas to make connections between learning at home and school:
 - ◆ **Read at home every night with my family.**
 - ◆ **Practice sight words at home with my family.**
 - ◆ **Do my homework to help me learn letter names and sounds.**

Parents, students, and teachers work together for success!

WES Kindergarten Teachers

The kindergarten teachers will work with students and their families to support student success in reading and math. Some of our key connections with families will be:

- Teachers will send home a weekly sight word list for student practice at home.
- Teachers will send home monthly letter naming fluency sheets for student practice at home.
- Teachers will provide parents with a monthly newsletter that includes reading and math activities to do at home.

At Home

WES parents joined staff to develop ideas about how families can support student success:

- Attend Family and School Team (FAST) meetings and conferences to learn about grade level goals, my child's progress, and how to help at home.
- Practice ELA and reading skills at home by reading daily with my child, working on sight words, or using IXL and other educational websites together at home.
- Look for and read the class newsletter and Dojo messages to stay informed about what my child is learning in class and support their learning at home.

Comments and/or suggestions are welcome at any time during the year.
