What is Title I?

Woodstation Elementary School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local reform efforts tied to the challenging State academic standards to improve teaching and learning for all students. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

**School Plan for Shared
Student Achievement**

What is it?

This is a plan that describes how Woodstation Elementary School will provide opportunities to improve parent and family engagement to support student learning. Woodstation Elementary School values the contributions and involvement of all parents and family members to establish an equal partnership with the goal of improving student achievement. This plan describes the different ways that Woodstation Elementary will support parent and family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Woodstation Elementary School invited all parents to attend a spring Parent Advisory Council Meeting (PAC) to discuss, review, and revise this parent and family engagement policy, and our Title I budget. Additionally, parent input and comments regarding this plan are welcome throughout the school year. Any parent feedback regarding this plan received during the school year will be used to revise the plan for the next school year. We also distribute an annual survey to ask parents for suggestions about the parent and family engagement program and on the use of funds for parent and family engagement. Parents and family members are also encouraged to give feedback at parent meetings and activities throughout the year by speaking with the family engagement coordinator or filling out an input card.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this policy. Woodstation Elementary School will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

At the beginning of the school year, a link to the policy is sent home to all families through the student Wednesday folder. The policy is posted on the school website. Parents may also retrieve a copy of the policy in the Family Resource Center, the school office, and at parent meetings throughout the year. This policy is distributed to our community business partners through our school Partnership Program.

Family-School Compacts

As part of this plan, Woodstation Elementary School and our families will develop a Family-School Compact for Achievement. This is an agreement that parents, teachers, and students develop that explains how families and teachers will work together to make sure all students reach grade-level standards. The compact outlines how teachers, parents, and students are responsible for student learning and stresses the importance of communication between home and school. In August, input from parents, teachers, and students is gathered. Parent input is sought on compact drafts and parents approve the final copies at the Fall PAC Meeting. Parents, students, and teachers sign the compact cover sheet indicating the role each has in the education process. Family-School compacts will be updated annually based on parent feedback.

The compacts are shared with parents during parent-teacher conferences and FAST meetings. Extra copies are always available from the teacher, in the Family Resource Center, and at parent meetings throughout the year.

Let's Get Together!

Woodstation Elementary School will host the following events to build capacity for strong parent and family engagement in order to support a partnership among the school, parents, and the community to improve student achievement. Meetings will be held at flexible times in order to offer all parents the opportunity to attend. Timely notification of each of these meetings will occur through flyers, newsletters, student agendas, text messages, email, and the school sign. - That parents play an integral role in assisting their child's learning.
- That parents are actively engaged in their child's education at school.

The principal, academic coach, or family engagement coordinator will also share with staff during regularly scheduled faculty meetings.
