3. How will we respond if they don't learn it?
 - Reteach, small groups, individualize instruction

What programs/supports are in place to help my child?

At WES we offer different programs to support our students. Some of these include:

What tests will my child be taking?

Students in 3rd, 4th, and 5th grades will take the Georgia Milestones Assessments in the spring.

All students in Kindergarten-5th grade will also complete Benchmark testing (MAP Assessment) several times throughout the year. These tests help show us what your child already knows, and what areas we need to focus on. You will learn more about these assessments during our FAST Meetings.

Please see the Student Testing in Georgia handout available tonight or view it on our school website.

How do these assessments measure my child's progress?

These tests measure student growth from year to year in reading (ELA) and Math.

Students will receive a RIT score (Rasch Interval Unit) which is an estimation of a student's instructional level and also measures student progress or growth in school. We will help you interpret your student's RIT score at our FAST meetings.

Students will score in one of four levels on Georgia Milestones.

Level 1: Beginning Learner

Level 2: Developing Learner

Level 3: Proficient Learner

Level 4: Distinguished Learner

At Woodstation, our goal is to have all students score Level 3 or Level 4 on the Georgia Milestones Assessments.
